*In the Gospel, Jesus escapes from the trap in the question, "Is it lawful to pay the census tax to Caesar or not?" by stating "Repay to Caesar what belongs to Caesar and to God what belongs to God." With this answer, Jesus reminds his questioners that if they are so concerned and careful about paying taxes to the state, they should be much more concerned and careful about their service to God and their obligations to Him as their Creator and Lord. We fulfill our duties to our country by loyally obeying the just laws of the State and working for the welfare of all citizens. We become heavenly citizens by obeying God's laws.*
